Plaintiff,	)

v.	)	
	)	
UNITED STATES OF AMERICA,	)	
	)	
Defendant.		

I, Cindy V. Grubb, declare:

1. Unless noted that my knowledge is based on information and belief, the matters stated in this declaration are true of my own knowledge and, if necessary, I could and would competently testify to them.

2. From October 2002 through June 2008, I was the Operations Chief for the Casualty Section, Headquarters, U.S. Marine Corps, as an active duty service member. In June 2008, I retired from active duty service and in November 2008 I began working as the Head of Case Management for the Casualty Section. In both the Operations Chief and Head of Case Management roles, I have been involved in Marine Corps casualty assistance, to include direct contact with the Casualty Assistance Calls Officers, and have firsthand knowledge of the benefits and entitlements paid out to next of kin as well as the Marine Corps systems which track such information. As the Head of Case Management, I have a managerial role in casualty assistance and I oversee all benefits and entitlements paid out to next of kin. With the exception of the months of July through October 2008 after my retirement, I have worked in the Casualty Section since 2002.

3. Attached hereto as **Exhibit A** is a true and correct redacted copy of the Casualty Status Report for Private Raheel Siddiqui. The Casualty Status Report is a report generated by our computer systems which serves as an overview of the case. I have worked with Casualty Status Reports since 2002 and

DECLARATION OF CINDY V. GRUBB  
Case No.:

1 have firsthand knowledge of these types of reports and this particular report for Private Raheel Siddiqui.

2 4. Attached hereto as **Exhibit B** is a true and correct redacted copy of the Casualty Assistance Calls  
3 Officer Report for Private Raheel Siddiqui. The Casualty Assistance Calls Officer Report is a more  
4 detailed assessment of the assistance provided by the U.S. Marine Corps to the next of kin of a casualty.  
5 The Casualty Assistance Calls Officer Report is updated by any member of the Casualty Section or by  
6 the Casualty Assistance Calls Officer regularly as the information is received. It details the contact with  
7 family members, the entitlements paid out by the U.S. Marine Corps, and includes any other pertinent  
8 information relative to a particular case. I have worked with Casualty Assistance Calls Officer Reports  
9 since 2002 and have firsthand knowledge of these types of reports and this particular report for Private  
10 Raheel Siddiqui. It should be noted that the report has been approved and forwarded the Siddiqui family  
11 representative for review and signature. This signature only agrees to the casualty assistance provided  
12 by the casualty assistance calls officer (CACO). To this date the CACO has yet to receive the signed  
13 copy of the casualty assistance calls officer report from the family representative.

14 5. As noted in Exhibits A and B, Private Raheel Siddiqui's family received a variety of benefits and  
15 assistance relating to his death, including but not limited to a death gratuity of \$100,000, life insurance  
16 in the amount of \$400,142.04.32, and funeral expenses.

17 I declare under penalty of perjury under the laws of the United States of America that the  
18 foregoing is true and correct.

19 Executed on December 14, 2017 at Marine Corps Base, Quantico, Virginia.
